They will be required to provide all the mandatory information requested and to upload a clearly legible copy of the Original Sales Invoice.

BestDrive Tyre Dealers may assist their customers with the registration and activation of the ContiSure Warranty via the www.ContiSure.co.za site or the ContiSure Mobile App.

1.3 Warranted Event

The Customer may claim against this ContiSure Warranty when Warranted Item(s) are accidentally damaged and are deemed irreparable as a result of a cut, bruise, impact break or puncture occurring on a public road within the borders of South African, Botswana, Lesotho, Namibia or Swaziland. The date of loss shall be the date on which the accidental damage occurs, and must fall within the Period of Warranty.

1.4 Benefit

Participating Dealers shall credit the Customer for the Unused Tread Value (as explained below) on behalf of Continental Tyre South Africa.

1.5 Credit Value Determination

The Value Credited to the Customer per Warranted Item is calculated as follows when claiming:

Within 30 (thirty) days or 2,000km (two thousand kilometers):

Should the Warranted Event occur within 30 (thirty) days from inception of this ContiSure Warranty or within the first 2,000km (two thousand kilometers) of driving on the Warranted Item(s) after fitment date as specified on the original sales invoice, whichever comes first, the Customer will receive a full credit towards the purchase of the same or similar new Continental branded tyre from a Participating Dealer as the case may be, regardless of the remaining tread on the Warranted Item(s).

After 30 (thirty) days or 2,000km (two thousand kilometers):

For Warranted Events occurring after 30 (thirty) days from inception of this ContiSure Warranty or after the first 2,000km (two thousand kilometers) of driving on the Warranted Item(s) , whichever comes first, the Value Warranted shall be calculated by firstly measuring the remaining tread of the damaged Warranted Item(s), and deducting from that the 1.0mm minimum Legal Tread Depth. Such figure represents the remaining tread. The remaining tread of the Warranted item will be expressed as a percentage of the original tread depth and thereafter multiplied by the original purchase price(after discounts) of the Warranted Item as recorded on the Original Sales Invoice. The rand value as determined using the above formula

shall constitute the credit value which the Customer will be entitled to use towards the purchase of a new replacement Continental branded tyre.

Example: Calculation of the Credit Amount:

Should you buy a tyre for R1000 with an original tread depth of 8mm, and the remaining tread on the tyre is 6mm, the Credit Amount will be R625.

= (6.0mm remaining tread – 1.0mm Legal Limit) / 8mm original tread x R1000 purchase price
= 5mm/8mm x R1000
= 62.5% x R1000
= R625

1.6 Limitation of Benefits

The Credit Amount will not be paid in cash, but credited towards the purchase of a new replacement Continental branded tyre from a Participating Tyre Dealer. The Customer will be liable for the difference between the Credit Amount and replacement cost of the new tyre(s) plus and charges for fitment, balancing and alignment.

Only one claim per Warranted Item can be made.

1.7 Tread Depth Limit

The Tread Limit is the minimum legal tread limit as stipulated by the National Road Traffic Act No 93 of 1996. This states that no person shall operate a motor vehicle on a public road which is fitted with a pneumatic tyre unless such tyre displays throughout, across its breadth and around its entire circumference, a pattern which is clearly visible, and has a tread of at least 1mm (one millimeter) in depth.

1.8 Deduction of the Legal Tread Limit

In respect of each and every event that gives rise to a warranty claim, 1mm (one millimetre) of the tread will be deducted from the remaining tread. This will not apply for a New Tyre in the first 30 (thirty) days or 2,000km (two thousand kilometers) whichever comes first.

1.9 Period of Warranty

This ContiSure Warranty will be valid for 2 (two) years from date of purchase of the Warranted Item(s) as indicated on the Original Sales Invoice.

The ContiSure Warranty will terminate on the earlier of:

- the tread of the Warranted Item(s) being worn to the Legal Tread Limit of 1.00mm as measured at the time of a claim;
Or
- the expiration of 2 (two) years from date of purchase of the Warranted Item(s);
Or
- the sale of the Warranted Item(s) or vehicle to which the tyre was fitted;
Or
- the removal of the Warranted Item(s) from vehicle to which the items were originally fitted;
Or

- when a warranty claim has been paid.

1.10 Customers Obligation to maintain the ContiSure Warranty

In order to maintain the ContiSure Warranty, the customer has an obligation to visit a Participating Dealer at every 10 000 km interval after the date of fitment or at least once per annum in order that the tyre dealer can perform a tyre inspection and tread depth check. The dealer will record such visits on the Service History Page in the ContiSure Warranty Brochure.
